

Please Join Us As We Support Special Olympics Connecticut

During November and December, JN Phillips Auto Glass will donate a portion of the proceeds of each windshield replacement to Special Olympics Connecticut. It is another way we can give back and add our support. Special Olympics Connecticut has a positive impact on the lives of people with and without intellectual disabilities across our communities. We salute the staff, the volunteers, and most of all the Special Olympics athletes and their families.

Thank you for your participation.
